

CIGNA LIFESOURCE TRANSPLANT NETWORK® DESIGNATED PROGRAMS

Formerly known as “Programs of Excellence”

Designated Programs meet or exceed the LifeSOURCE Performance Guidelines for Quality Inclusion. For more information, go to <https://cignalifesource.com>. PLEASE NOTE: Hospital and individual transplant program participation is subject to change without advance notice. Please check the list regularly to make sure you have the most up-to-date information.

Cigna LifeSOURCE Transplant Network contracts with more than 800 transplant programs at more than 170 independent transplant centers. We provide our clients and customers with the access they need for organ and bone marrow/stem cell transplantation while improving cost containment and reducing their financial risk.
